

## LINCOLNSHIRE SHOW 2023 HINTS & TIPS

### ALL CLASSES

Be sure to read the instructions and size limits carefully. These will be strictly adhered to in the judging and if your entry does not comply it will be disqualified.

### CLASS ONE

- Please ensure you include a card specifying the items to be judged to avoid any confusion. This applies particularly if there is more than one item of craft/cookery on display.
- When planning and executing your entry, bear in mind the possible effects of heat, humidity or damp on the appearance of your exhibit (eg flowers wilting, icing or other decoration melting, etc). Your exhibit should be able to withstand conditions within the marquee for the duration of the Show, without need for attention.
- Check "On With The Show" (2021 Edition) to understand the difference between a floral "exhibit" and an "arrangement". You will see that an exhibit gives you greater opportunity for creativity. Natural plant material is any vegetable matter. This includes fresh, dried, garden, wild, foliage, fruit, vegetables and seaweed.
- You are asked to provide a label to identify your entry. However, please ensure that this is *either* attached in such a way as to not be visible when the entry is displayed *or* can be removed/turned over to ensure anonymity during judging.

### CLASS TWO

- Any jewellery for any person of any age.

### CLASS THREE

- To the supplied recipe only with no extra adornments.
- Presented on a flat base i.e., cake board or foil covered cardboard.

### CLASS FIVE

- Novice class – This class is open to any member who has not previously entered any item into WI competitions at the Lincolnshire Show.

Each entry in classes 2 – 5 must be the work of **ONE** individual member.

**PLEASE REMEMBER TO CHECK CAREFULLY ALL SIZES  
AND ANY OTHER SPECIFIC CLASS STIPULATIONS !**
